

Duramedic

by

Road Rescue[®]

AN ALLIED SPECIALTY VEHICLES COMPANY

In Service for Life[™]

The Duramedic is the meeting of price and features to create long-lasting value, and is constructed with exceptional attention to detail. While being cost efficient, the Duramedic offers most of the features and benefits that are provided on all of the Road Rescue models. The compact and lightweight design of the Duramedic allows it to maneuver with ease in tight city streets.

Standard Features

Hidden Hinges - Exclusive design protects hinges from environmental conditions and provides a clean, streamlined appearance.

Crash-Rail System - The snap-on extruded rubber crash rail eliminates fasteners for easy repair or replacement in the field. It also houses a reflective insert for increased conspicuity and safety.

Roof Radius - The perimeter of the roof is framed with a radius extrusion with triple-wall webbing for long-term strength and structural integrity.

Chevrolet K3500

QUICK FACTS

Length 150"
Width 92"
Headroom 68"

Action Area Countertops

Countertops are covered in scratch-resistant Avonite to prevent the growth of bacteria.

Some of the options shown are not standard. Please contact your Road Rescue dealer for more information.

All Aluminum Interior

Our all aluminum interior protects against blood borne pathogens while providing an optional whisper quiet environment that virtually eliminates outside noises, allowing you to manage the patient's vital signs without distractions.

Anti-Microbial Interior

The upper-band area is covered in commercial-grade, heavy-duty vinyl for safety. Mid-area is covered in an anti-microbial Thermoplastic material for disinfection requirements. All grab bars are made from anti-microbial 1 1/4" stainless steel.

Visit our website to find one of our professional dealers and get on your way to owning a Duramedic by Road Rescue.
