The HERD Aero LT is Big Rig Protection for your hard working Ambulance. We have taken many of our exclusive features used in semi-truck applications, and incorporated them into our AeroLT. Too Big? You be the judge! Rest assured, this is serious collision protection. Because you have no time for down-time when life and death are on the line.

PRODUCT FEATURES

- 3 inch tube and 3 inch box uprights
- Custom extruded nearly 14 inch bumper
- Steel mounting bracket
- Forged steel, chrome plated eyebolts
- Proven 'Repetitive Hit' product, not for one-time use
- Mirror finish
