

WARNING WARNING WARNING WARNING WARNING WARNING WARNING WARNING WARNING WARNING

Ambulance safety should be **STANDARD** not **OPTIONAL**. If safety is important to your agency, then ignore marketing "buzz" words like *SOLID BODY STRUCTURE*, *HANDCRAFTED*, and *FAMILY OWNED*. Instead, choose Wheeled Coach, the most dynamically tested and certified ambulance in the United States today!

## ✓ **TESTED**

Center of Gravity  
Testing • NFPA 1901  
SAE J2180

Side Impact Crash Test
