*Plus*

## THE ULTIMATE URBAN MACHINE

### The Wheeled Coach Chevrolet CitiMedic PLUS<sup>™</sup>

The Wheeled Coach CitiMedic PLUS<sup>™</sup> delivers the power and performance demanded by a fast-paced EMS environment. The CitiMedic PLUS<sup>™</sup> is a solid 5" - 8" narrower than the standard Type III. This rugged design is built on an agile 139" wheel base chassis offering all popular features such as inside/outside access to ALS equipment and a spacious cab with more room than comparable chassis. The Wheeled Coach Chevrolet CitiMedic PLUS<sup>™</sup>, powered by the reliable DuraMax diesel engine, is a performance-based vehicle, yet comfortable enough to work out of all day or all night.
